

County	Permit Notices	Inspection Notices	Building Dept Web Link	Notes
Anne Arundel	The Permit Center will temporarily suspend accepting drop-off permit, licensing and development applications. Mechanical, electrical and plumbing permit applications and trade license renewals may be submitted online. Permit applications will also be accepted by mail. Staff are working remotely but will continue processing applications as they are received.	All inspections requiring entry into an occupied home or structure are temporarily suspended. If the permitted construction is not a part of an occupied structure or isolated from an occupied portion, the inspection will be performed. Final inspections receiving a Certificate of Occupancy will be sent via email when requested. Please send requests to jmailbox@aaacounty.org . Inspection arrival times cannot be guaranteed but will be performed on the day requested.	https://aaacounty.org/departments/inspections-and-permits/ ; https://www.aaacounty.org/departments/inspections-and-permits/forms-and-publications/inspections-permits-covid-19.pdf
